Liquidation Manifest in the Steel Insiderable Strength, Rescribilly in Goulds - London Bennius Closed.

NEW YORK, April 16 - in the absence of any unfavorable de are over the belidage, and, further, it was if the very statement on Saturday, it was not easy to assign definite reasons for the day's rather unsettled stock market.

At the opening of business, to be sure, slight advances were common throughout | \$5.1-2. the list, but almost immediately heavy pressure developed under which a general reaction took place, and in some instances material losses were mored. Liquidation was manifested in the core of all the socalled steel industrible. Pederal Steel. All of the so-called Gould stocks were notably strong, and substantial advances were sorted in Lake Eric and Western, Norfolk and Western, and Kansas and Texas preferred. Aside from these and a lew other in-stances, however, the market had a decidedly sagging tendency, and in many cases losses running up to one point and over were noted in the railway list. Nothing of particular interest developed in re-gard to the dealings in that quarter of the market. The London market contin-ued closed today over the Fester holidays, so no influence was extend from that so no influence was extend from that quarter. The day was a herwise quite bare of actual news and there were no developments of any consequence aside from the traffic returns submitted. As was to be expected after the bank statement of Saturday, the money market was extremely easy. Sterling exchange continued firm and further cumors of coming exportations of gold were in circulation in connection with the weakness of the stock market.

THE MARKET UNSETTLED WEAK MEN DEFEAT FOR PRINCETONS

Georgetown Takes Revenge for Loss of Safurday's Game.

With the Tigers One Run to the Good, the Local Team, by Timely the Last Half of the Eighth Inning-Darkness Ends the Contest.

The Princeton and Georgetown ball clubs were greeted by another large audience yesterday. The line-up of the teams was about the same as on Saturday, with the to do the pitching, while the locals designated Blewett.

The men of both teams were full of confidence. The friends of the Tigers who were conspicuous on Saturday were again out in force and furnished a boisterous article of enthusiasm for their favorites, while the Georgetown rooters and fans made the welkin ring with applause for their favorites.

rifice by Burke, and a fielder's choice by Hutchinson. As a starter this was sig-nificant of disaster for the home boys, and put the Princeto contingent on their mettle, while the local fraternity looked anxious, but determined. The locals were not connecting with the puzzzling delivery of Young to any alarming extent. Cranston, the plucky little backstop, was having his troubles, missing two foul fles that ordi-narily would have been easy, and alto-gether things were not as promising for success as was desired. Yet the boys stood by their colors and in the third inning managed, with two bases on balls by Smith and Burbank and some timely sacri-

ficing, to chase a run home.

The visitors inaugurated a batting matinee in the fifth imping, in which Watkins, Young, Meir, and Pierson participated, the Young, Meir, and Pierson participated, the latter gentleman hitting a beauty out centre field for two bases, which netted three runs. While this was somewhat discouraging, it did not take the nerve of the locals, in their half of the fifth they transacted some business. On hits by Smith and Walsh, and three bases on balls, three runs crossed the home plate, leaving the gare 5 to 4 in favor of the visitors, and thus the score stood until the last half of the eighth. score stood until the last half of the eighth inning, it being Georgetewn's last change to win. Devlin, the first man up, walked, and Smith singled. Moran singled to right and Downes hit a three-bagger, bringing in three runs; then Waish landed on one, bringing in the fourth tally.
